GOLDEN PATH HOLOGENETIC PROFILE

HOLOGENETIC PROFILE

Each one of us is born with a unique sacred geometry embedded deeply within our being. This geometry can be plotted through the precise timing and placement of your birth in the constantly shifting universe. This same pattern is also holographically encoded in your DNA, forming a distinct personal profile of genetic sequences, each of which awakens a different aspect of your life and your genius. This is your Hologenetic Profile, the original blueprint that tells us the gifts that you bring into the world, how you operate, and above all the mystery of your destiny.

Designed as a tool to work alongside the 64 Gene Keys, your Hologenetic Profile contains specific phrases and keywords that provide a starting point for in-depth contemplation and dialogue concerning the Gene Keys.

Each of the Sequences in your Profile offers a possibility to unfold a specific aspect of your higher purpose in life. Even though these are viewed as separate sequences encoding aspects of your destiny, they are all interconnected. This means that as you contemplate your sequences in the framework of your daily life, you will activate all aspects of the Profile simultaneously, allowing you to witness dynamic changes in your life.

THE GOLDEN PATH

Your Golden Path is a threefold journey.

The **Activation Sequence** highlights your four Prime genetic Gifts and focuses on the Self and the theme of your fundamental frequency – the unconscious daily attitude that dictates the pulse and shape of your life. The Four Prime Gifts are the cornerstones of your life, representing the mythic themes and challenges of your global role in this lifetime. The path through your Prime Gifts supports you to fulfill your life's Purpose while remaining deeply grounded in the Core Stability of your physical body.

The **Venus Sequence** is the path of courageous emotional opening through relationships. It is a journey that expands your heart through the correct aligning of your attractor field and the gradual release of your defence patterns. Catalysing a gentle emotional cascade in your life, the Venus Sequence supports you to let go of the pain of separation and invites you to master the great art of returning non-love with love.

The **Pearl Sequence** describes the stage of genuine exchange with the universe, of giving and receiving your deepest gifts in synchronicity with the greater whole. This third path guides you towards true prosperity by helping you to find your Core Vocation. It supports you in finding the highest possible form of service you can offer to the world, through your inherent gifts.

Now that you have your own Profile, you are ready to begin your journey. Please return to our website and discover the various ways of exploring your unique Golden Path.

The Activation Sequence is the primary sequence in your Hologenic Profile. It is the catalyst for a powerful transformation through a deep understanding of your 4 Prime Gifts. These describe the mythical journey that is the essence of your life. They are your **Life's Work**, your **Evolution**, your **Radiance** and your **Purpose**. The Life's Work and the Evolution describe what you are here to manifest externally, while the Radiance and Purpose describe the more hidden inner rewards that come about as you fully embrace the former.

Calculated from the position of the sun at the time of your birth, your Activation Sequence is triggered through your understanding and application of the laws of frequency. It is the starting point for your attunement to the higher frequencies in your personal Profile. By understanding and embracing the Shadow aspects of these four Gene Keys in your own life it is possible to activate their higher frequencies and bring about a subtle change deep inside yourself. By sustained contemplation on the highest frequencies of your Prime Gifts you may witness a complete transformation in your life as you unlock the true genius waiting inside you.

The Activation Sequence follows a series of three leaps in awareness that unfold in your life as you activate the higher purpose within your DNA. These inner realisations are called your **Challenge**, your **Breakthrough** and your **Core Stability**.
